

Good morning, everyone. Hope you enjoy the dry days ahead.

This is the last notice for the meeting next **Monday, 8 March**. Since we announced that **Brian Taylor** was to be our speaker, Horizon Lines has announced that they will enter the Asia - US West Coast market with weekly service and Brian has been named **Senior Vice President, International Services** (we are always right there, current and up to date for you!!). We already have 145 reservations and may be faced with standby (or standing room only) space so if you are planning on coming and have not heard from me that your reservation was accepted, please let me know by noon tomorrow. Also, remember that Monday is also our **"Let's Band Together" bandage drive for Mary Bridge**. Go to http://transportationcluboftacoma.org/events_bandaiddrive.htm for more information. Finally, consider **prepaying your Scholarship raffle tickets** to move faster at the registration table. Just let me know what you need and, of course, if you have **items for the raffle**, put them in your trunk now!! Thanks.

Membership, what can I say. Last year, we were at 310. This year, we just sent the list to the printer for The 2010 Directory and we already have, yes, you guessed it, **310 Members** for this year. Sounds like we are doing something right so if you know of anyone that should be a Member, bring them or get them to sign up.

March 17, the **Propeller Club of Seattle** is having their monthly meeting. Contact **Nancy Allen at 206-448-7660** for information and reservations.

Finally, as a piece of advanced information, The Club is sponsoring the **Joint Meeting** with our good friends at **The Transportation Club of Seattle on 12 April in Tacoma**. Our guest speaker is **Adrienne Bailey, COO of Pacer**. Mark your calendar early and let me know.

Regards,

Gary
